

**General Manager - Environmental  
Calgary Office (Headquarters)**

**Company Overview**

Marquis Alliance Energy Group Inc. (MA) is a wholly owned subsidiary of a publicly traded energy service company (Secure Energy Services Inc.) operating in Western Canada and the United States. The business foundation is built on customer service, safety, quality and teamwork. MA requires enthusiastic, organized and result oriented individuals to join our team of passionate and energetic professionals. We are currently recruiting for a General Manager for our reclamation/remediation group located in Calgary, Alberta.

**Job Duties:**

Job responsibilities include, but are not limited to the following:

- Oversight of all MA reclamation and remediation projects;
- Management of all project staff;
- Development and implementation of growth strategies with sales group;
- Ensuring MA and client specific safety requirements are being exceeded;
- Meeting revenue and growth targets set by senior management;
- Develop and maintain relationships with potential and existing clients;
- Mentor and train junior/intermediate staff; and
- Identify new geographic or service areas of growth.

**Qualifications:**

Applicants should have the following attributes;

- Excellent leadership, communication and organizational skills;
- Supervisory/project management experience;
- Strong technical background;
- Strong work ethic and positive attitude;
- A valid Class 5 driver's license;
- A valid passport may be required but is not immediately necessary;
- Understanding of western Canada environmental regulations; and
- A professional designation is considered an asset.

**Additional Information:**

At MA we know our people are at the heart of our achievements, so we strive to foster a culture where people truly love to work. In addition to offering a competitive compensation and benefits package, we offer professional development, profit sharing commensurate with personal and company success, real growth opportunities, options with Secure Energy Services Ltd., flexibility, and the chance to be an integral part of our exciting future. We are committed to ensuring the safety of our team, and the communities we work in, while delivering exceptional customer service.

We thank all applicants for their interest in this position, however, only those selected for an interview will be contacted. No phone calls please. Resumes submitted will be kept on file for 6 months.
