

Marquis Alliance Energy Group is one of the largest and best known integrated energy service companies in Canada. Marquis Alliance provides drilling and completions fluids, solids control and rental equipment, drilling waste management and reclamation services to clients within Canada, USA, India and the Middle East. We are committed to giving and being a part of the communities where we live and work. Social responsibility gives our Company and the staff the opportunity to cultivate relationships and participate in our community.

Marquis Alliance has two **Accounting/Finance summer student** positions available within our Accounting and Finance team. All positions will be available for a 4 month work term starting in May 2012 and are located in our downtown Calgary office. Students will work on various assignments and projects determined by the department they are working in.

As a summer student, you will be afforded practical on-the-job training, a unique opportunity to gain hands on experience, tremendous learning opportunities and the chance to put your knowledge to use. The culture and growth opportunities are unmatched, so start your career off on the right foot at Marquis Alliance Energy Group!
